Due to ever changing market conditions, Shea Homes or its representatives make no guarantee, representation or warranty of any kind as to the current or future value of your home or any future appreciation or depreciation in its value.

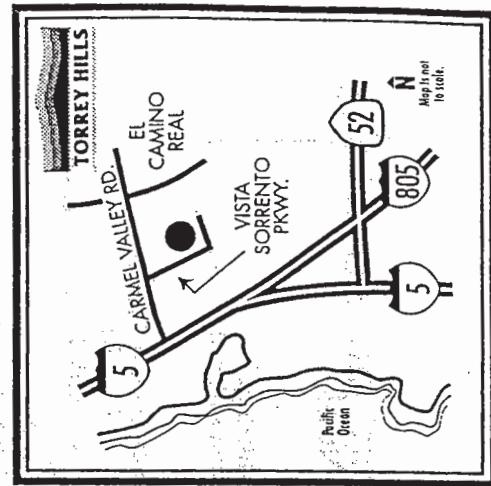

# Torrey Point

By Shea Homes

At the end of a quiet cul-de-sac, tucked away from the bustle of Carmel Valley Road, lies the newest addition to the Torrey Hills neighborhood. This is the place where you can live in a community that's close to nature, yet just minutes from the excitement of Carmel Valley Village. It's the place where you can have the privacy of your own home, yet still be part of a vibrant, friendly community. And it's the place where you can enjoy the beauty of the surrounding hills and mountains, while still being able to walk to the village or the beach. This is the place where you can live the life you've always wanted, in a safe, comfortable, and beautiful environment. This is the place where you can call home.
