

Contemporary design and low-maintenance living comes to the heart of Carmel Valley with ColRich's Carmel Row. Located at the corner of Carmel Country and Carmel Mountain Roads, homebuyers will enjoy cool ocean breezes and Carmel Row's modern architecture, high-end finishes and private yards. This intimate collection will include 22 town homes ranging in size from 2,595 to 2,718 square feet with 3 bedrooms, an office, 2.5 baths and included casitas above a detached 2-car garage.

Adjacent to future retail spaces and just minutes from parks, local beaches, freeways and numerous business centers, Carmel Row is a part of the acclaimed Del Mar Union and San Dieguito Union school districts. Carmel Row's spacious, conveniently located homes provide a luxurious option for Carmel Valley homebuyers interested in high-end living without the up-keep of detached homes.
